

Aerosol Spray Adhesive

A20-8091 **\$ 3.25**

- Fast drying, just spray and stick
- Repositionable Bonds both porous and non-porous surfaces
- Adheres to paper, cardboard, wood, or metal

Carb & Choke Cleaner

A20-590 **\$1.79**

- Eliminates rough idling, stalling, engine run-on, and starting hesitation
- Quick and easy to use, fast drying, and leaves no film or residue Will not harm catalytic converters or oxygen sensors
- Cleans heat risers by dissolving buildup around shaft Spray around housing and block to remove grease and dirt buildup
- Removes varnish build-up
- Includes extension tube for precision application in hard

Grease-Free Lube Film APC-1

A20-961 **\$ 2.59**

- Provides short term corrosion protection
- Displaces moisture
- Spray-Any-Way valve allows product to be applied in either an upright or upside down position
- Handles tough jobs such as unfreezing rusted and corroded parts
- Cleans and lubricates delicate mechanisms

Multi-Purpose Lube APC-2

A20-962 **\$ 3.19**

- Displaces moisture
- Unlocks rusted parts and reduces wear
- Does not contain any chlorinated solvents or silicones
- Will not harm paint, rubber, and most plastics
- Easy application in any position with Spray-Any-Way valve

Industrial Paint Pens

A20-1227 White **\$ 1.59**
 A20-1221 Red **\$ 1.59**
 A20-1222 Yellow **\$ 1.59**
 A20-1226 Black **\$ 1.59**

Heavy Duty Brake Cleaner

A20-592 **\$ 2.09**

- Dries in less than 2 minutes
- High-pressure action and unique wetting properties degreases and penetrates into inaccessible areas Includes extension tube for precision application in hard to reach areas
- Stops annoying brake squeal Reduces airborne asbestos dust
- Keeps brake shoe pads at top level of performance
- Effectively removes oil, grease, wax, dirt, and moisture

Heavy Duty Glass and Surface Cleaner

A20-860 **\$ 1.59**

- Wipes off to a bright and sparkling, streak-free finish
- Removes dirt, grease, fingerprints, road film, and grime
- Will not scratch or harm glass, Plexiglas, or other plastic materials
- Does not leave a film and will not harm painted surfaces
- Retards fogging
- Cuts through greasy residue and factory film

Heavy Duty Corrosion Inhibiter APC-3

A20-963 **\$ 3.79**

- Penetrates to remove moisture
- Provides a non-sling lubrication that holds up over time
- Dries to a soft, translucent film that lasts up to two years
- Does not contain chlorinated solvents or silicones
- Safe for use on fabric, paint, rubber, and plastics

Flagging Tape

A20-1101 Flo. Orange **\$.89**
 A20-1105 Flo. Pink **\$.89**
 A20-1115 Red **\$.89**
 A20-1120 Blue **\$.89**
